Quick Search

Companies
Enter a company name, ticker symbol, OneSource KeyID, or registered number.
Total Companies: 13,890,953

Executives
Search for an individual by entering last name only or both first and last name.
Total Executives: 12,165,462

News & Articles
Enter one or more keywords to search multiple global media sources.

Industries
Search for an industry by entering a keyword, industry activity, or industry code.

Companies

Hover your mouse over **Companies** on the top blue bar, you can choose to search for one company/government agency or build a list of companies/agencies.

- **Find a Company** – search by **Name**, **Ticker**, or **Key ID** (embedded into the company record's URL)
- **Build a List** – screen companies by multiple criteria such as location, industry, keywords in the company's business description, Fortune 1000 companies, etc. Results must be 5000 or fewer to export, 1000 or fewer to view.

On a company page:

- **OneStop Report** – You can create custom report and select sections, such as company profile, financials, news etc.
- **Analysts' Reports** – research on public companies from investment analysts
- **Peer Analysis** – find peer companies within the same industry group and select comparative criteria such as size of assets, sales and employees, etc.
- **IT Profile** – find IT executives and the number of computers and IT staff. Availability varies by company.
- **Strengths/Weaknesses** – SWOT analysis
- **Financials** – up to 10 years of financials downloadable into Excel

Select contents from this panel.
Reports and news selections vary by company

The screenshot shows the Intel Corporation page with a left-hand navigation menu and a main content area. The navigation menu includes sections like Profile, News & Analysis, Filings, and Financials. The main content area displays company details such as address, employees, and financials. A red arrow points to the navigation menu, and a red text box above it says 'Select contents from this panel. Reports and news selections vary by company'.

Executives

Click on **Executives** on the top blue bar to display the search screen where you can select multiple screening criteria, such as: job title, location, education, age, compensation range, or enter keywords.

1. Enter criteria and click **Run Search**.
1. Your search results in the number of hits displayed in the upper right corner.
2. Click the **View Results** link above the upper right corner of the search form.
3. Click on a company name from the list, and then go to its Executives section.
4. Click on the Excel icon at the upper right of corner above the table to download the list of executives into Excel; you may click on **LinkedIn Connections** to open the company's LinkedIn page.

Executive	Title	Company	City	State/Regi	Phone	Reports
Eric A Schmidt	Manager	Catalpa Rehabilitation Services	Rock Hill	South Carolina	803-366-4415	Colleagues
Eric E Schmidt	Chief Executive Officer	Google Inc	Mountain View	California	650-930-3500	Colleagues
Eric E Schmidt	Owner	Bladen Eye Center	Elizabethtown	North Carolina	910-862-4268	Colleagues
Eric E. Schmidt	Chairman of the Executive Committee, Chief Executive Officer,	Google Inc.	Mountain View	California	650-253-0000	Colleagues, Web Site

Industries

Mouse over **Industries** on the top blue bar and select **Industry Search** or **Industry**.

- **Industry Search** – search by keywords in **Industry Description** or **Industry Activity**. Click on the **Source** dropdown to select an industry classification (or All Classifications). On the results page, you can refine the list with the categories in the left panel.
- **Industry Browse** – select an industry classification and drill-down to find your industry.

Each Industry summary includes:

- industry description
- industry activities
- market research reports
- top industry participants
- news
- geographic segmentation: total companies by country.

News & Reports

Mouse over **News & Research** on the top blue bar to select the type of search and source.

Basic News & Reports – keyword search in all or specific sources (i.e. news, articles, analysts’ reports, market research, SEC filings. You can specify the date range.

Advanced News – search by Structured Terms, e.g. indexes from the four subject categories, arranged under four tabs (Company, Business Topic, Industry, Geography) or free text keywords. You can specify the date range.

Analysts’ Reports – search by selecting or combining any of the following criteria: keyword title search, keyword text search, company name, brokerage house name, industry, and dates range.

SEC Filings – search by selecting or combing any of the following criteria: keyword text search, company’s name, stock exchange, type of filing, SIC code, major indexes, stock exchange, and dates range.

Searching Tips

- Use asterisk * as a wildcard for keyword searches, e.g. in companies search the term *micro** will return the names of all companies starting with *micro*
- With the list of news and articles displayed, mark the items of interest and click the  button to view the full-text articles arranged as a list.

SAMPLE SEARCHES

Find information on Tiffany and Co: company overview, news, financials, analysts’ reports, and significant developments.

1. Enter *tiffany* in the **Companies** search box on the opening page to search.
2. Select **Tiffany & Co.** (NYSE:TIF) from the list of companies.
3. Choose reports from left-hand column.

Find the latest analysts’ research about Google.

1. Mouse over **News & Reports** on the top blue bar, and select **Analyst Reports**.
2. Click the radio button in front of **Company**; enter **Google** in the text box.
3. Select **Date Range**; click **Submit Search**.

DOWNLOAD/PRINT

Use the print, PDF, or Excel icons located at the upper right of the screen.
