

The Center for Global Business and the Economy presents

Jared Cohen

Director, Google Ideas

Rethinking New Business Models and 21st Century Statecraft

Jared Cohen directs Google Ideas, a “think/do tank” focused on addressing global challenges in new and innovative ways. He is also a non-fiction author and Adjunct Fellow at the Council on Foreign Relations. From 2006-2010 he served as a member of the State Department’s Policy Planning staff under Secretaries of State Condoleezza Rice and Hillary Clinton. His current work addresses the changing nature of international relations, the rise of global youth movements in the Middle East, and the application of technology solutions to problems in the developing world.
